# PEACHTREE®
## DOORS AND WINDOWS

Prado™
Patio Doors

REPLACEMENT PARTS CATALOG

Notice: The replacement parts shown herein are for the Peachtree Prado™ Patio Doors, part of the Image™ Series. The Prado patio door can be identified by its wood frame and steel insulated panels. Prado patio doors with the Duo-Clad™ option have a vinyl-wrapped wood frame with aluminum trim and vinyl laminated steel panels. These patio doors use wood exterior brickmould and 3/4" Low-E insulated glass. When ordering replacement glass, please determine existing manufacture date from manufacturer date label inside glass before discarding.

Prado™ Patio Doors Single Panel Unit
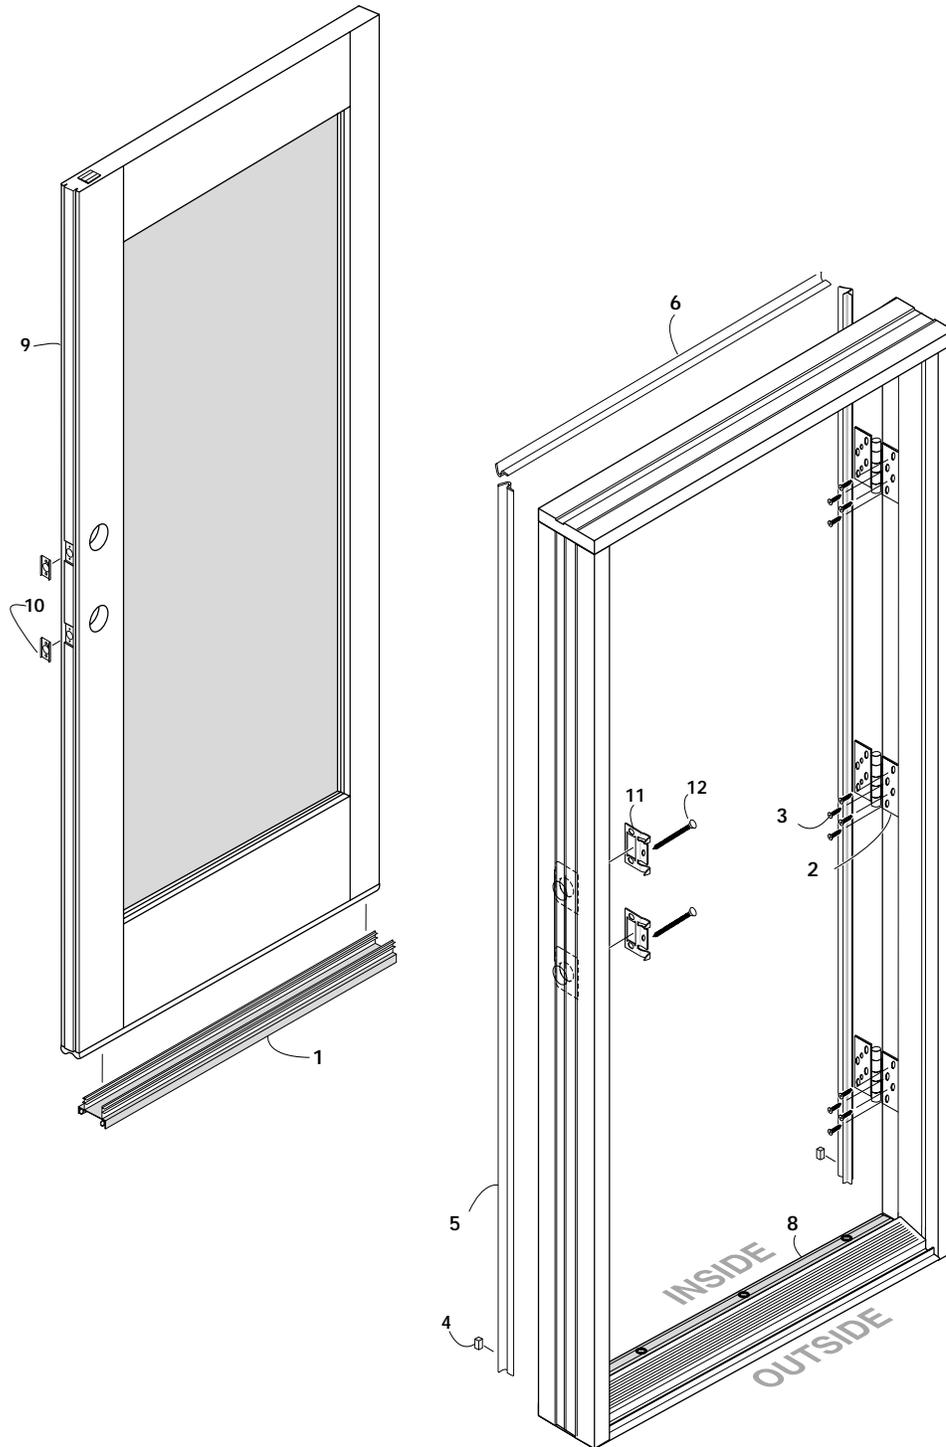

– Swing-In unit shown, Fixed similar (see chart at right for Fixed components).
